The Metal Master

ABOUT..

PLEDGE
INTERNATIONAL

Diversity & Inclusion
Driving Innovation

We are a trusted leader in the supply, servicing & distribution of premium metals and materials for a wide range of industries. With a commitment to quality, reliability & customer satisfaction. We cater to the specific needs of sectors such as **Industrial Manufacturing, Oil & Gas & Engineering.**

<https://pledge-international.com>

**PLEDGE
INTERNATIONAL**

Why Choose Us?

With years! of experience in the industry, Pledge International prides itself on delivering comprehensive metal solutions that meet the stringent requirements of our clients. We maintain a vast inventory of high-grade materials sourced from trusted global manufacturers, ensuring that we can supply what you need & when you need !!

A man in a grey suit and red tie is pointing at a digital interface. The interface features a grid of hexagons with various business icons: a bar chart with an upward arrow, a clock, a person silhouette, and a dollar sign. One hexagon is highlighted in teal and contains the text 'business continuity'.

Innovating & Inspiring Consumers

Our vision is to lead the Metal Industry in the region by cultivating our talent, fostering a high-performance culture, pursuing an operational excellence & prioritizing health, safety & environmental sustainability. It creates a life-changing experience through the quality of our products and services. We provide a common ground for all people throughout the world.

Company Mission

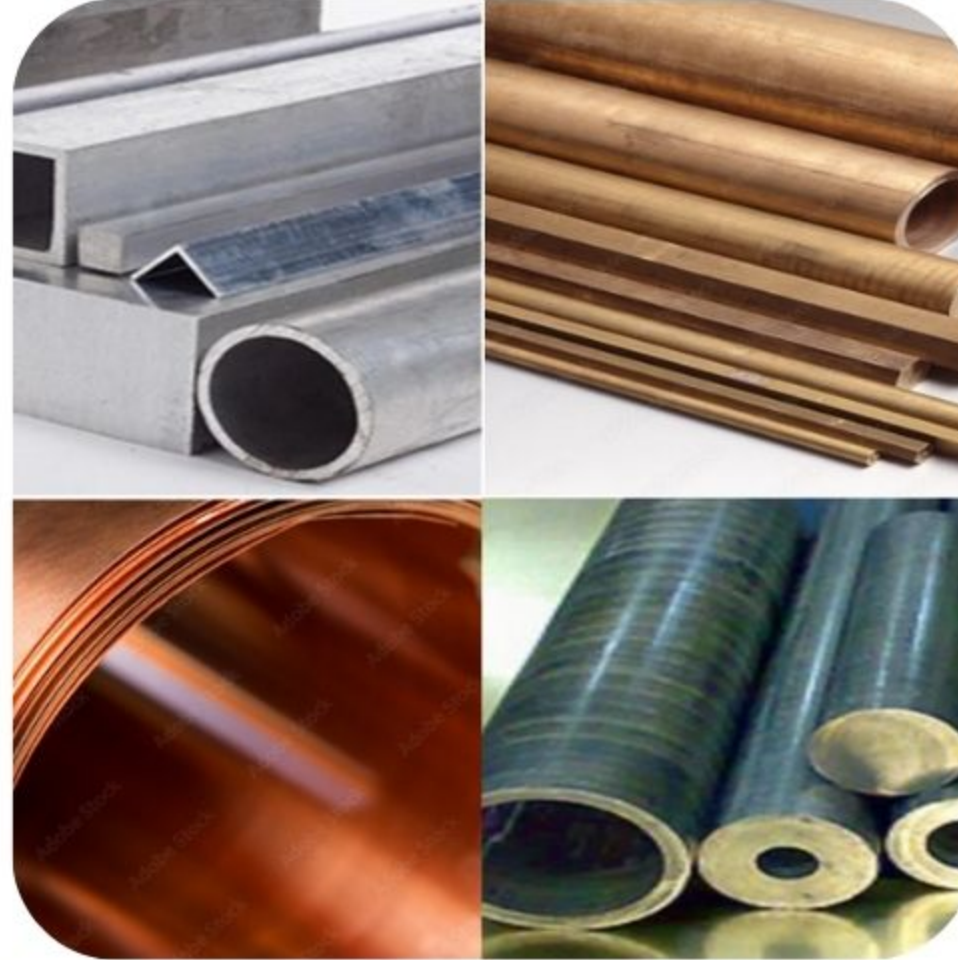

Our Verticals

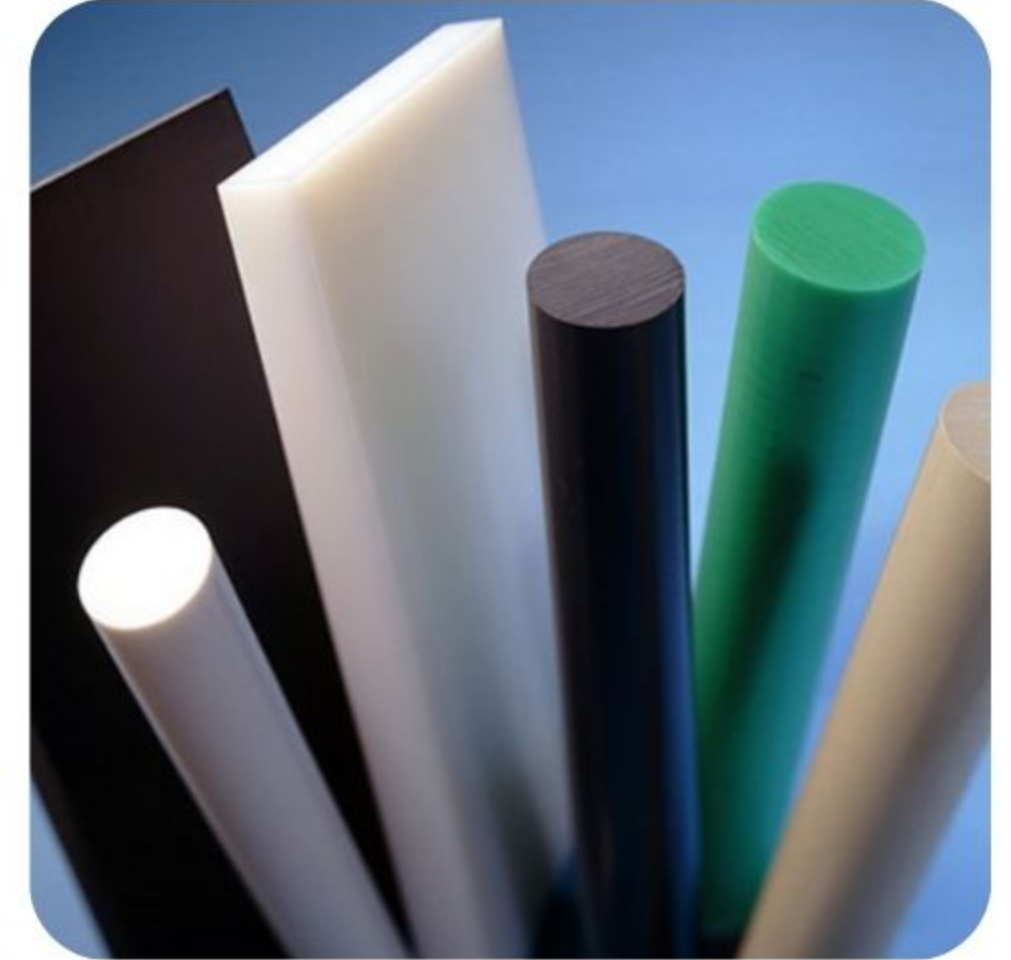

High Grades Available

Ferrous Metals

Non-Ferrous Metals

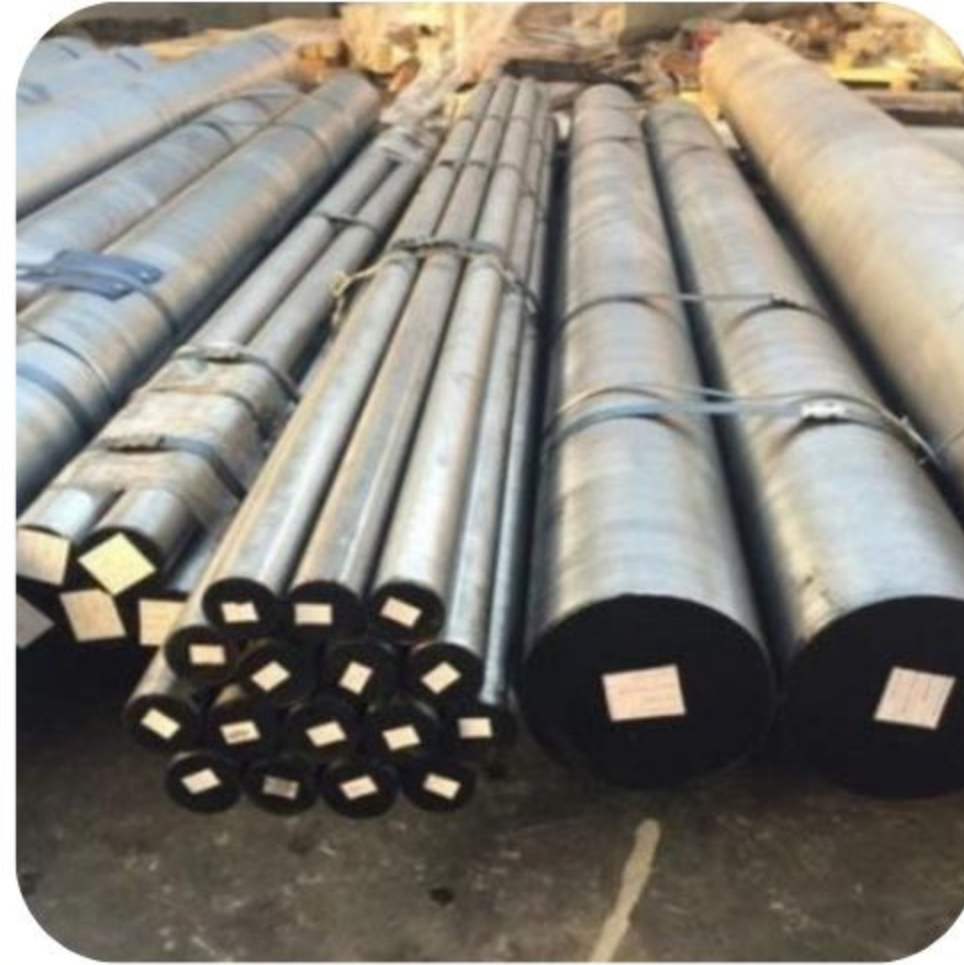

Plastic Product

<https://pledge-international.com>

Ferrous Metals

Special Metals

Alloy & Carbon Steel

Comprehensive range of sheets, plates, bars, tubes. & profiles for various applications.

Tool Steel & Die Steel

Engineered for the tooling and manufacturing sectors, providing optimal performance & longevity.

Stainless Steel

Exceptional durability and corrosion resistance, ideal for construction, food processing & more.

<https://pledge-international.com>

Ferrous Metals

Special Metals

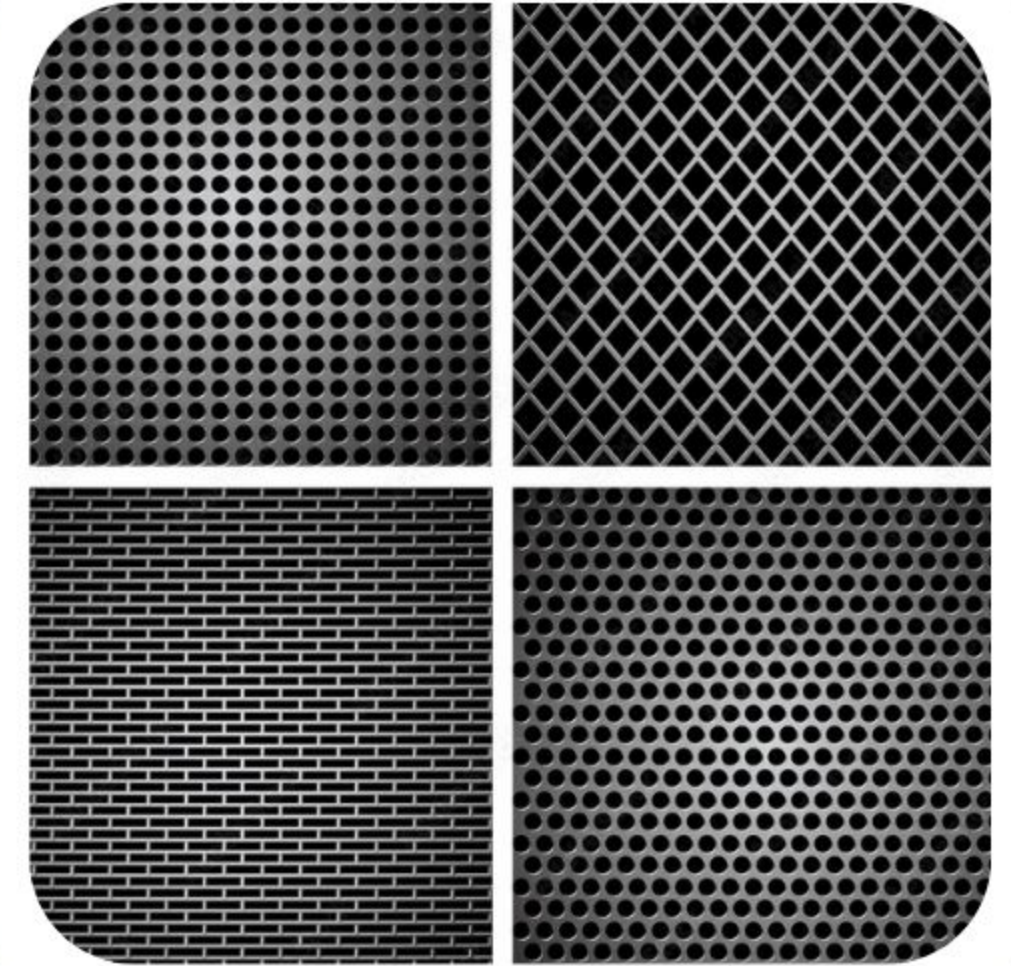

Cast Iron

Known for strength & machinability.
Available in castings, pipes & fittings.

Chrome Bars & Tubes

Precision-engineered for high-performance applications.

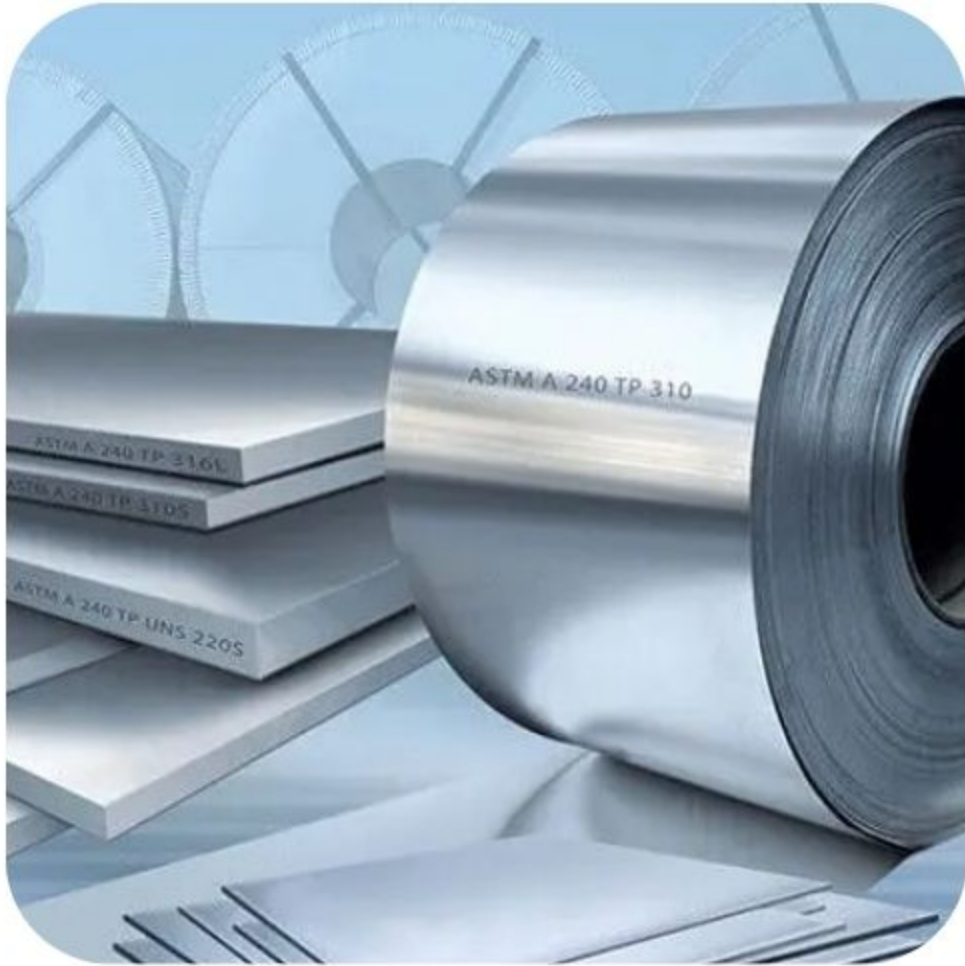

Perforated Sheets & Wire Mesh

Versatile solutions for filtration and structural support.

<https://pledge-international.com>

Non-Ferrous Metals

Special Metals

Aluminum

Lightweight and corrosion-resistant products including sheets, plates, bars, tubes & profiles.

Brass & Bronze

Combining aesthetic appeal with strength and corrosion resistance for diverse applications.

<https://pledge-international.com>

Copper

Renowned for excellent conductivity, available in various forms including sheets & tubes.

Plastic Products

Polyamide (Nylon)

PTFE (Teflon)

PVC

Our high-quality plastic product range, designed to meet diverse industrial
And commercial needs with durability, versatility & efficiency...

<https://pledge-international.com>

Plastic Products

Polypropylene (POM)

UHMW-PE

Acrylic

Our plastic offering provides dynamic solutions
For lightweight and corrosion-resistant applications...
